

Aïe...

Trac a détecté une erreur interne :

```
UndefinedError: 'format' is undefined
```

Il est possible que ce ne soit qu'un problème lié à l'installation de Trac.

Vous avez découvert un bug dans Trac ?

If you think this should work and you can reproduce the problem, you should consider creating a bug report.

Notez que l'extension TracCustomFieldAdmin semble être impliquée. **Veillez rapporter ce problème au responsable de l'extension.**

Before you do that, though, please first try **searching for similar issues**, as it is quite likely that this problem has been reported before. For questions about installation and configuration of Trac or its plugins, please try the **mailing list** instead of creating a ticket.

Otherwise, please a new bug report describing the problem and explain how to reproduce it.
