

After install of latest tracjsgantt revision: ...868:
With NO data in schedule and schedule_change:

#503 and #504 no longer drawn after #502
#504 now has some relation or other to #278 (?)

Now change #502 start date from 1.4. to 8.4.

As with previous version of tracjsgantt, no entries in schedule or schedule_change.
